

# HARD DRIVE PAPA

Baby get online there's a new mail waiting for you  
Baby get online there's a new mail waiting for you  
It's a hotmail message gonna blow away your blues

When you get my attachment baby put it in your download tray  
When you get my attachment baby put it in your download tray  
Don't throw it in the trash or papa's gonna make you pay

I got a big hard drive it's 50 terrabytes

Just connect up the cable and leave it plugged in all night

You gotta mount my drive if you want my files to show  
You gotta mount my drive if you want my files to show  
Just don't unplug too early cos you'll interrupt my data flow

If your system gets slow I'll just insert some more ram  
If your system gets slow I'll just insert some more ram  
When I open up your box I'll be as fast as I can.

Baby I know you love my transfer rate  
Baby I know you love my transfer rate  
I can tell you like my speed from the smile upon your face

Baby lets Skype you can show me what you got  
Baby lets Skype you can show me what you got  
But I'll have to wipe the screen down if the action gets too hot.
